**Reason for non-applicability (check all that apply):**

- I do not spray-apply surface coatings.
- I do not spray-apply surface coatings to metal and or plastic parts or products.
- I spray-apply surface coatings to metal and/or plastic parts or products but my surface coatings do not contain toxic metals (compounds of cadmium chromium, lead, nickel or manganese).
- I do not use methylene chloride to strip dried coatings from wood, metal, plastic and other substrates.

**Be aware that Northwest Clean Air agency may preform an inspection of your facility to verify that you are not subject to the federal standards.**

**Certification:**

I certify, that the statements and information in this report and any supporting enclosures are true, accurate and complete. My certification is based on information and belief formed after reasonable inquiry.

**Print the name of the "Responsible Official\*" for the facility:**

Name of Responsible Official	Title	Title
------------------------------	-------	-------

\*A "Responsible Official" can be:

- The president, vice-president, secretary or treasurer of the company who owns the facility.
- The owner of the facility.
- The plant engineer or supervisor.
- A government official if the facility is owned by the Federal, State, City or County government.
- A ranking military officer if the facility is located on a military base.
