SEPA DETERMINATION OF NONSIGNIFICANCE

DESCRIPTION OF PROPOSAL: Operate a portable asphalt plant at the Miracle Mine in Coupeville for less than 90 operating days. Ancillary equipment associated with the asphalt plant include aggregate screens and conveyors, a hot mix asphalt storage silo and truck loadout facility. Emissions from the 400 ton per hour portable asphalt plant will be controlled by fabric filtration.

PROPONENT: Granite Construction Company, Everett, Washington

LOCATION: Miracle Mine (48°11'58"N, 122°37'20"W), Coupeville, WA (Island County).

LEAD AGENCY: Northwest Clean Air Agency (NWCAA)

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under NWCAA 155. This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- There is no comment period for this Determination of Nonsignificance (DNS).
- This DNS is issued under NWCAA 155. The NWCAA will not act on this proposal for 14 days from the date below. Comments must be submitted by: January 3, 2017.

RESPONSIBLE OFFICIAL: Mark Buford
