**Northwest Clean Air Agency (NWCAA) hereby issues
 REGULATORY ORDER 44**

Project Summary: Limit on hydrocarbon feed rate for the Naphtha Hydrotreating (NHT) unit

Owner/Operator	Facility Name and Location
Tesoro Refining & Marketing Company LLC 10200 March Point Road Anacortes, WA 98221 Contact: Rebecca Spurling	Tesoro Refining & Marketing Company LLC 10200 March Point Road Anacortes, WA 98221

Pursuant to your request and the provisions set forth in Washington Administrative Code (WAC) 173-400-091 and NWCAA Regulation Section 121, you are hereby ordered to operate your facility subject to the following limits:

- (1) The hydrocarbon feed to the Naphtha Hydrotreating (NHT) unit shall be less than 39,600 barrels per day (bpd) based on a rolling 12-month average. Compliance shall be demonstrated by averaging the daily feed values over each month and then averaging the monthly values to create a rolling 12-month average.
- (2) Tesoro shall report the monthly average and consecutive 12-month rolling average operating NHT hydrocarbon feed rate as calculated in Condition (1) for each month in the quarter on a calendar quarterly basis.
