4373	CAZ Environmental	Whatcom	\$2,000	\$1,000	Illegal removal and handling of cement asbestos board from single-family two-story residence by a certified asbestos contractor.

Industry reports of process upsets with potential excess emissions

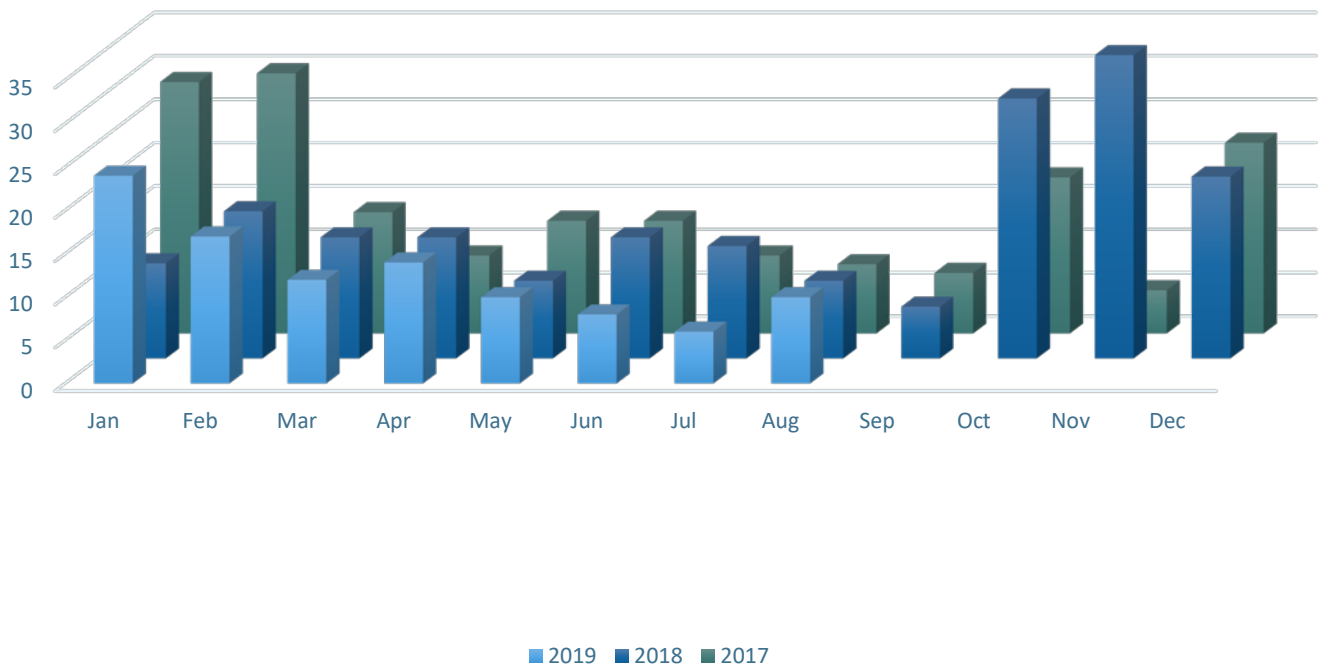

(No excess emissions reported for this time period)

¹ In some cases, NWCAA offers air pollution sources the opportunity to reduce their penalty by agreeing to specific actions that go beyond compliance requirements. Alternatively, a portion of a penalty may be suspended, holding the remainder of the penalty due if the violation is repeated within 5 years.
