

PUBLIC HEARING NOTICE

NORTHWEST CLEAN AIR AGENCY

CHANGE TO MODE OF APRIL 8, 2020 RULE MAKING HEARING

NOTICE IS HEREBY given that Northwest Clean Air Agency (NWCAA) is changing the mode for the proposed rule making hearing on April 8, 2020 at 10am. The hearing was originally to be held in-person at the NWCAA Office. Due to coronavirus restrictions, we will now conduct this hearing on the same date and time but via a telephone conference call at (224) 501-3412 (access code: 439-623-397).

This hearing is to provide an opportunity for oral comment to be received by the NWCAA regarding the proposed amendments to the Regulation of the Northwest Clean Air Agency published in the Washington State Register on March 18, 2020 (WSR 20-05-092). The proposed rule changes are administrative and routine in nature. The two objectives are to update to the effective date of the rules that we adopt by reference in the regulation and to delete the definitions in Section 580 that have already been rolled into the main definition list in Section 200.

The public comment period ends on April 8, 2020 at 11am. Submit written comments via regular mail (NWCAA, 1600 S 2nd St, Mount Vernon, WA 98273), via email (info@nwcleanairwa.gov), and by fax ((360) 428-1620). For additional information, see our website at www.nwcleanairwa.gov or call (360) 428-1617.

This hearing is being held in accordance with the State of Washington Administrative Procedure Act (ch 34.05 RCW) and Washington State Governor Proclamation 20-28 (March 24, 2020).
