PUBLIC NOTICE

NORTHWEST CLEAN AIR AGENCY DRAFT RENEWAL TO AIR OPERATING PERMIT

NOTICE IS HEREBY given that the Northwest Clean Air Agency (NWCAA) will take action on and seeks comments on a DRAFT renewal of the Air Operating Permit (AOP) for:

Phillips 66 Company – Ferndale Refinery 3901 Unick Road, Ferndale WA 98248

The AOP compiles existing air quality requirements and permits into one comprehensive document and establishes monitoring, recordkeeping, and reporting procedures to assure compliance.

The AOP does not approve emission increases or require emission decreases. The AOP must be renewed every 5 years. This action is a renewal of the existing AOP.

Phillips 66 Company owns and operates the Ferndale Refinery in Whatcom County, WA. The facility is a petroleum refinery with processing units, storage tanks and vessels, wastewater treating, and shipping and receiving facilities. The Ferndale Refinery is required to have an AOP because the facility has the potential to emit:

- 100 tons or more per year of oxides of nitrogen (NO_x), sulfur dioxide (SO₂), particulate matter (PM), volatile organic compounds (VOC), and carbon monoxide (CO),
- 10 tons per year or more of any hazardous air pollutant (HAP),
- 25 tons per year or more of a combination of HAP, and,
- 100,000 tons per year or more of carbon dioxide equivalent (CO₂e).

Copies of the draft AOP renewal and supporting documents are available online for review at http://nwcleanairwa.gov/the-latest/#public_notices and at NWCAA's office (address below). Written comments relating to the issuance of this AOP renewal must be sent by close of business **September 10, 2022** to:

Agata McIntyre, Engineering Manager
Northwest Clean Air Agency
1600 South Second Street
Mount Vernon, WA 98273
Or email: agatam@nwcleanairwa.gov

Contact Agata McIntyre with any questions about this notice at 360-428-1617, ext 213.

NWCAA may hold a public hearing if the agency determines there is significant public interest. Requests for a public hearing must be received within the comment period. Any such requests must indicate the interest of the person or organization filing the request and describe why a public hearing is necessary.

NWCAA is publishing this notice pursuant to the Washington State Clean Air Act (RCW 70.94). The AOP is issued pursuant to Chapter 173-401 WAC and Title V of the federal Clean Air Act Amendments of 1990.
