NWCAA is hiring a new Air Quality Specialist/Inspector

The Northwest Clean Air Agency is seeking candidates for a new Air Quality Specialist/Inspector I position.

For information about the job and its duties, plus the agency, go to the NWCAA website's Careers section at <https://bit.ly/45Wda7V> and click on the PDF.

The Northwest Clean Air Agency implements and enforces federal, state, and local air quality regulations in Island, Skagit, and Whatcom counties in Northwest Washington. In addition to permitting and regulating industrial sources of air pollution, the agency provides services and information related to asbestos, outdoor burning, woodstoves, and fireplaces.

More information about the agency is available at <https://nwcleanairwa.gov/>.

NWCAA's office is located at 1600 S. 2nd St., Mount Vernon. The agency is typically open from 8:30 a.m. to 4:30 p.m. Monday through Friday except on holidays.
